

**WRAMC BRAC Section 106 Consultation
Preliminary Agenda
18 May 2010**

Focus: to help all consulting parties understand where the Army was in its inventory of cultural resources and to solicit input on the Army's way forward in identification efforts (including data gap assessment) for the closure and transfer of properties out of federal control.

I. Morning Session:

- Review of the March 24, 2010 meeting
- Overview of the Army's previous identification efforts
- Presentation of the Army's 1999 Integrated Cultural Resources Management Plan (ICRMP)
- Open discussion on data gaps in the Army's previous identification and assessment efforts
- Open discussion on the consultation and the Army's way forward

II. Afternoon Session:

- Tour of WRAMC
