Virginia General Comments

- DoD, Army Staff, and various Intelligence organizations in NCR leased space will be moved into better, more secure facilities on Ft Belvoir and Dewitt Hospital will be expanded. Ft Belvoir will become the NCR home for support to military leadership and its population will grow by approximately 17,000 personnel.
- The Army intends to transform Ft Eustis by relocating TRADOC Headquarters, IMA Regional Headquarters, and NETCOM Regional Headquarters to Ft Eustis.
- Create a Combat Service Support Center (consolidation of the Ordnance, Quartermaster, Transportation Centers and Schools) at Ft Lee. They consolidate the Defense Contract Management Agency Headquarters and all components of the Defense Commissary Agency (DECA) at Ft Lee. Additionally, Culinary and Transportation management training moves to Ft Lee.
- While it was a difficult decision to close Ft Monroe, the Army must now look to future requirements and develop an installation portfolio that can support and sustain its new force structure, and missions as the Army transforms to an expeditionary force.
- The termination of the ATEC lease and movement of the headquarters facilities co-locates it with its subcomponents that are currently operating at Aberdeen Proving Grounds.
- Creates a Human Resource Center for Excellence at Ft Knox and provides force protection for personnel located in the Hoffman lease complex.
- To gain efficiencies through Joint basing, Ft Myer will assume installation management responsibilities for the Marine Corps installation at Henderson Hall.
